Final Placings

1 Sussex	136.5	4 Kent	281.5

3 Surrey	257	6 Middlesex	304

Well done to all the swimmers - especially to Alison Nye and Tony Meek who both brought Kent home in first place, and to those who contributed to the thirteen second places although, judging by the times recorded, everyone seemed to have put in maximum effort - not so easy when you were on your sixth or seventh event. There were also some excellent relay legs with swimmers really eating up the distance between them and the opposition such as those from Jonathan Exall (Fr in 200+ Medley), Becci Harvey (Fly in 100+ Medley), Craig Simmons (Fly in 100+ Medley), Alison Nye (240+ Free), Darren Leach (76+ Free), Tony Meek (200+ Free).

A special mention should go to Maureen Fakley who insisted in competing in all four Women's 65+ events - plus the relays - working on the theory that 1 point was definitely better than none, and she still looked very calm and collected at the end of the competition. So, fourth place overall really was an excellent afternoon's work especially as I understand that fifth/sixth/seventh has been our normal finishing position.

Incidentally, I also discovered that Sussex had a team of 47 (including the odd ex-GB swimmer or two) compared to our rather more compact one of just 24, so next year we need to increase our team size and reduce the pressure on individual swimmers. Several of you mentioned other swimmers who might have been interested in competing this year. If you could get them to contact me (thinking in advance for 2007) perhaps we will manage to build a team that will give Sussex and Hampshire a good run for their money!
